

Important Announcements

Below is the cast list for our production of 13 Jr. We are so proud of EVERYONE that auditioned and it made the casting process extremely difficult. For those who weren't cast in the show, I must stress what I've already told you: it's okay to be disappointed, but also know that you're an extremely important part of this program. Reflect on your audition, acknowledge what went well and what could be better, and know even better things are on the horizon. 'One Act, One Voice' auditions are in 2 weeks and I truly hope you participate in that with those incredible directors as well as sign-up for Speech Team.

Additionally, as always, you can e-mail me for feedback. As middle schoolers, you should be e-mailing me directly (not your parents). You're old enough to advocate for yourself. If you want them to see the feedback then copy them on the e-mail, but it's YOUR job to get the feedback you're looking for.

Congratulations to those cast. The first rehearsal will be Tuesday, August 25th from 3:30-5:30. We look forward to seeing you there.

I'm proud of all of you.
